Response to Amendment

In view of Applicant's Amendment received July 14, 2004, claims 13-23 have been canceled as requested. Remaining claims 1-12 are allowed as indicated in the previous Office Action.

Reasons for Allowance

While a theatre is known in the art to comprise a digital projector, a plurality of seats, a support structure positioned at the side of a projection screen for supporting a plurality of special effect systems such as lighting and sound systems, and a communal area between the screen and seats, prior art fails to further disclose a plurality of special effect systems configured to operate during the projection of the image sequences in response to code embedded in digital media associated with the image sequence and in synchronization with the image sequences to simulate being present at a live event.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
